Chair of Governors – Mrs Jean Smith

Wednesday 28th July 2017

Dear Parents/Carers

RE: OPEN EVENING - MONDAY 10TH JULY 2017

This year has seen a lot of change which has been both challenging and exciting. As a school we are committed to providing the best possible education for all children; creating learning experiences that are rich and varied which will motivate and inspire. This process has only just begun and, as we move forward, we would like to consult with you to ensure that, as a school community, we have a shared vision for our children's future.

We are also aware that we have changed our 'reporting and feedback to parents' process, and, from feedback we have been given, we are aware that you would value opportunities to look through your child's books at points throughout the year. This is something we would like to put in place for the next academic year as a termly open book evening.

With these key things in mind, but with awareness that there is not much time left this year, I would like to invite you to our open evening on Monday 10th July at 3.00pm during which you will be able to view the work that the children have produced during 'Big Arts Week'. In addition to this, we will have children's books available for you to look at in the classrooms and a chance for you to meet the teacher informally as part of the transition process between year groups. Set up in the corridor, we will also have a review of our aims and values and would welcome your thoughts and contributions so that we can ensure the school continues to develop and improve; creating a strong sense of identity that is shared by all.

We look forward to sharing our work with you in the coming weeks.

Thank you for your support.

Kind regards,

Mr R Evans
Head of School
